

The Payson Total Return Fund seeks a combination of high current income and capital appreciation by investing in common stock and securities convertible into common stock, which appear to be undervalued, and in investment grade debt securities, including U.S. Government, government agency and corporate obligations. The Adviser uses both a quantitative and a fundamental approach to identify stocks that are undervalued compared to a company's financial Condition.

**Established in 1854, HM Payson is one of the oldest independent investment advisors in the United States.** As of December 31, 2024 assets under management, including the Payson Total Return Fund, totaled approximately \$7.570billion.

### **IMPORTANT DISCLOSURES:**

Short-term performance, in particular, is not a good indication of the Fund's future performance, and an investment should not be made based solely on returns. Because of ongoing market volatility, Fund performance may be subject to substantial short-term changes.

An investment in the Fund is subject to risk, including the possible loss of principal. Other Fund risks include debt securities risk, exchange-traded funds risk, interest rate risk, credit risk, liquidity risk, inflation-indexed security risk, government securities risk and value investment risk. Foreign investing involves certain risks and increased volatility not associated with investing solely in the U.S., including currency fluctuations, economic or financial instability, lack of timely or reliable financial information or unfavorable political or legal developments. Mortgage-related and other asset-backed securities risks include extension risk and prepayment risk. In addition, the Fund invests in midcap companies which pose greater risks than those associated with larger, more established companies. There is no assurance that the Fund will achieve its investment objective.

**Before investing you should carefully consider the Fund's investment objectives, risks, charges and expenses. This and other information is in the prospectus, a copy of which may be obtained by calling (800) 805-8258. Please read the prospectus carefully before you invest.**
